Roper Close is a business estate off Roper Rd. Clark's carpet shop is on the corner of Roper Rd at the entrance to Roper Close

From Roper Rd, walk into Roper Close; 50 yards in there is a left hand turn — take that, and CCT is 50 yards down there on the right hand side.

Many of the streets around have parking bays, best are those in Roper Rd further past Roper Close beyond Lenleys furniture store which are free for 4 hours weekdays and free all day on Saturday. These bays also extend at the end of Roper Rd round to the left into Beverley Rd
